TESTIMONIALS

"Thank you for taking such great care of all of my family and friends. I've unfortunately added 2kg during my stay but well worth it!!

The culture of the crew is humble and extremely friendly in a professional fashion. The boat refit is amazing... the owners clearly know their yachts and re-created a beautiful boat. The specs are extraordinary and the decor is light and beautiful.

The testament to the yacht is that we will likely charter her again. What a great stay and we look forward to our next charter on Coral Ocean."

★★★★★

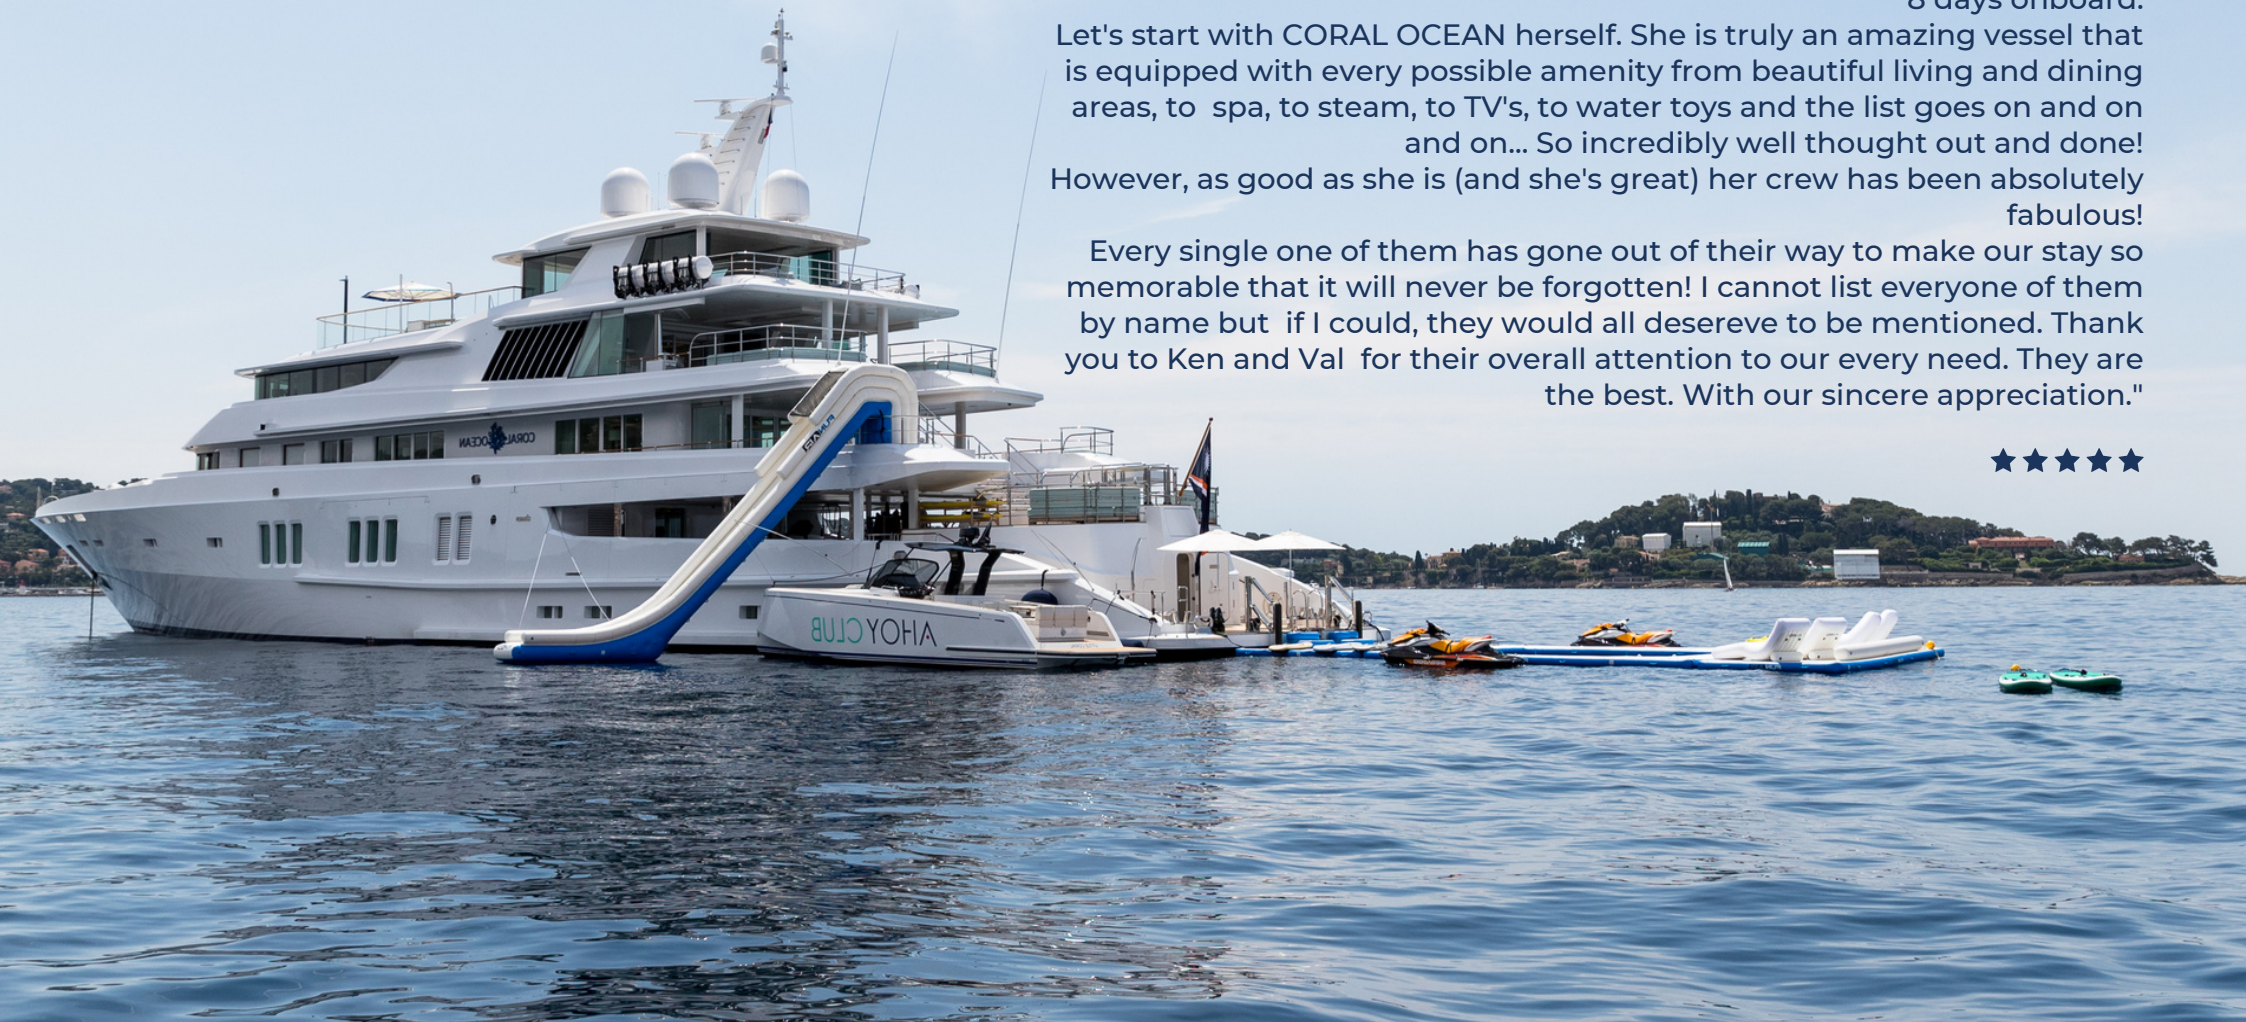

"How does one begin to write a thank you for what was a truly 'AMAZING' 8 days onboard.

Let's start with CORAL OCEAN herself. She is truly an amazing vessel that is equipped with every possible amenity from beautiful living and dining areas, to spa, to steam, to TV's, to water toys and the list goes on and on and on... So incredibly well thought out and done!

However, as good as she is (and she's great) her crew has been absolutely fabulous!

Every single one of them has gone out of their way to make our stay so memorable that it will never be forgotten! I cannot list everyone of them by name but if I could, they would all deserve to be mentioned. Thank you to Ken and Val for their overall attention to our every need. They are the best. With our sincere appreciation."

TESTIMONIALS

My recent week aboard the Coral Ocean super yacht was nothing short of spectacular. This luxury experience, which took us on a 5-day journey through the South of France and Portofino, left me captivated. Every aspect of the trip was marked by extraordinary service, and I cannot thank the dedicated team on board enough.

The interior team on the Coral Ocean deserves special praise for their impeccable service and attention to detail. The yacht's interior exudes a level of luxury that is beyond compare. Every cabin was a haven of comfort and elegance, and the common areas were exquisitely designed. The interior team's professionalism and commitment to making our stay as comfortable as possible did not go unnoticed.

A special mention is due to Laura, who ran the spa on board. Her dedication to pampering and relaxation was exemplary, and the spa experience she provided was a true sanctuary and ensured the body was ready for gym & E-Foiling every morning.

The deck team was equally remarkable, and their dedication to ensuring our every request was met with a smile made the experience truly exceptional. Whether it was organizing water sports activities, setting up al fresco dining, or simply providing a friendly presence on deck, they went above and beyond to make us feel pampered and cared for. No request was too big, and their willingness to accommodate our needs made a world of difference.

A significant highlight of our trip was undoubtedly the culinary experience, thanks to Georgi, the head chef, and his talented team. The food prepared onboard the Coral Ocean was nothing short of extraordinary. From the freshest seafood to delectable gourmet dishes, each meal was a culinary masterpiece. Dining on the yacht's deck, with the sea breeze in our hair and the Mediterranean's beauty around us, was an experience beyond compare. My heartfelt thanks to Georgi and his team for the best food I have ever had the pleasure of savoring.

Behind the scenes, the back-of-house team played a crucial role in ensuring that every aspect of our journey ran smoothly. Their efficiency and attention to detail in managing the yacht's operations were truly commendable.

As our unforgettable trip came to an end, it was hard to say goodbye to the Coral Ocean and its exceptional crew. I extend my deepest gratitude to the entire crew for their incredible service, hospitality, and for making our week on the Coral Ocean a truly magical experience. It was a week of unparalleled luxury and unforgettable moments, and I eagerly look forward to returning to this remarkable vessel and its exceptional team in the future. Thank you for a week that surpassed all expectations.
