KEY HIGHLIGHTS

- **Versatile Size:** the VanDutch 56 offers a perfect size for luxury and performance.
- **Elegant Design:** this boat is the epitome of style, combining performance with top-tier Italian craftsmanship.
- **Outdoor Relaxation:** with spacious deck areas, it's an ideal vessel for escaping daily life and enjoying the sea.
- **Flexible Interior:** the boat's interior comes in two layouts, accommodating a cozy open space or a master cabin with an option for a second cabin. TBC which one it is
- **Cutting-Edge Technology:** Garmin Marine and EmpireBus technology ensure easy control and home automation via twin 16-inch displays.
- **Efficient Volvo IPS Engine:** the VanDutch 56 introduces the Volvo IPS engine for improved performance and reduced fuel consumption.
- **Designed by Mulder:** Crafted by Mulder Design, this boat strikes a perfect balance between aesthetics and functionality, setting new standards in the marine world.
