

An aerial photograph of a sleek, modern motorboat with a dark blue hull and light-colored teak decking. The boat is positioned diagonally across the frame, moving towards the top right. On the main deck, there are several white modular sofas and cushions. Five people are visible: three are sitting on the main deck sofas, and two are sitting on a smaller platform at the bow. A red flag with a white Union Jack is flying from the stern. The word "SOLARIS" is printed in white on the transom. The water is a deep, dark blue with gentle ripples. The overall lighting suggests late afternoon or early morning.
